

English

Texts: Treason - Berlie Doherty (narrative - Tudors), Pandora (non-fiction - non-chronological report), balanced argument based on our topic.

SPaG focuses: verb tenses, inverted commas for dialogue, using commas to separate clauses, dashes and brackets for parenthesis.

Maths

Statistics: Understand the meaning of 'average' and calculate the mean of a set of data

Algebra: understand simple algebra notation, use simple formulae expressed in words; find combinations of two variables; generate a linear sequence and describe and find the next terms; find a missing term in a linear sequence.

SATs Revision

Problem solving

Science

Classification

Know who Linnaeus was and learn about his classification system and explore classification systems, understanding that they group according to similarities and differences. Identify similarities and differences between living things in order to determine their classification. Develop and use classification keys to sort living things according to observable characteristics.

RE

Enquiry question: *For Christians, what kind of king is Jesus?*

PE

Handball, swimming and athletics.

Our Christian Values this term are:

Friendship and Forgiveness

YEAR 6 – SUMMER TERM 5

Why does population change?

Geography

Our topic this term will focus on how and why population changes.

We will begin by identifying the most densely and sparsely populated areas in the world before exploring the increase in global population over time.

We will then look at migration, discussing push and pull factors before sensitively discussing why some people may have no choice but to leave their homes.

We will then move on to exploring climate change, including the causes of and actions we can take to fight this.

To finish, we will use various data that we collect to write a report on how population is impacting our environment, making suggestions on how to improve identified issues.

Music

Glockenspiel Unit

Improve improvisation skills as well as the skills needed to play the Glockenspiel.

Note progression: *C, D, E, F, F#, G, A, B, B flat.*

Focus music: *Poland, Folk, Mazurkas Op. 24, Chopin.*

Art

Experiment with wax resist techniques, exploring use of colours. Learn techniques of hot wax batik. Add detail through embroidery, using different stitch types

Outcome: Batik scarf/bag.

French

Talk about pets

PSHE

Being My Best

To identify personal strengths, skills, achievements and interests and how these contribute to a sense of self-worth. Discuss and debate topical issues, respect other people's point of view and constructively challenge those they disagree with. Identify risk factors in a given situation. Understand and explain the outcomes of risk-taking in a given situation, including emotional risks.

Computing

Select, use and combine a variety of software to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information.
