

Initiative

We will show our initiative by *being resourceful and working without always being told what to do. Showing both perseverance and trusting in ourselves, in order to demonstrate that we can think independently and act when necessary.*

Spirituality

As part of our spiritual, moral and cultural development we will *be considering Hinduism and their beliefs. We will be exploring the Anglo-Saxon era and consider the impact of significant individuals and events in shaping British history. In PSHE, we will be considering individuality and the differences between everybody, focusing on mutual respect. We will be discussing how to challenge stereotypes and discrimination sensitively. We will be developing our strategies for working collaboratively.*

Learning Drivers

Creative arts

Using our creative skills, we will *plan, design and build mechanical systems that use pulleys and gears. We will compose pieces of music using technology (iPads) and the recorder, creating and following rhythms.*

Environment

As people concerned with our environment, we will *consider how British history has shaped our environment today and how the choices we make might impact on future generations. We will think about the choices we make in the classroom and at home to ensure that we are making sustainable choices.*
