

November 2022

Dear Squirrel Parents,

Squirrel Class are working very hard at the moment at taking responsibility for their own learning and we are very proud of them. They have great discussions with their talk partners and try to be independent in the classroom, using each other and the many tools around the classroom to help with their learning.

On Friday 18<sup>th</sup> November, Squirrel Class will be leading collective worship at 2.40 and we would love to see as many of you there as possible. Our PE days this term are Tuesdays, when children should wear uniform plus trainers for skipping, and Thursdays, when children should wear full PE kit. Please remember to name clothing – it makes it much easier to return clothes to the correct child.
