

## Initiative

**We will show our initiative by being resourceful and working without always being told what to do. Showing both perseverance and trusting in ourselves, in order to demonstrate that we can think independently and act when necessary.**

## Spirituality

**As part of our spiritual, moral and cultural development we will be considering how festivals and worship show what matters to a Muslim. We will be investigating the growth of Bristol and Rome and how this was affected by its land. In PSHE, we will be exploring how we can keep ourselves safe when thinking about a variety of risks and dangers. We will be developing our strategies for working collaboratively.**

# Learning Drivers

## Creative arts

**Using our creative skills, we will draw, label and annotate Bristol and Rome as well as their surrounding land. We will create digital music formed on the features of a composer. We will produce a piece of artwork, which uses primary, secondary and tertiary colours to evoke emotions.**

## Environment

**As people concerned with our environment, we will learn about the land surrounding Bristol and Rome to understand how it affected their growth. In science, we will be learning about the forces around us and how they help us to live our lives.**
