

FOLS MARCH 2023 NEWSLETTER

Thank you all for your continued support with all of our events, it really makes a difference!

With all your help we have managed to reach our goal and contributed to the fantastic new outdoor learning canopy.

We are so pleased that the children now have this wonderful outdoor space and have already had fun using it during science week!

This was made possible by combining previous funds raised with the £352.43 raised at the Christmas Fayre and £511.60 raised at the February Quiz!

A massive thank you for all the support at the Easter Fayre last Friday we raised £325, the children had an egg-cellent time.

We are so grateful for all the parents and their donations without which we couldn't do events like this and thank you to all the helpers, volunteers are key to a successful event!

It has been a busy few weeks and once again we want to thank you for supporting all the smaller fundraising too like;

Love yourself day, this was a good opportunity to remind our children that whilst we are all different, we are all unique and wonderful, and the children of Longney School really are wonderful! This raised money to support aid being sent to Turkey after the earthquake disaster.

The short story competition was a fun creative event, the children's entries were of such a high level, Super work!

The Mothers days gifts turned out fantastic, we hope you enjoyed them as much as the children enjoyed making them for you!

The monies raised from these combined with the Easter fayre sum will contribute to our new goal of raising money to help improve the outside areas of the school. Please be on the lookout for some gardening club posts and information in the coming weeks.

SAVE THE DATE

1st July our fabulous summer fete will be taking place!

At any time if you would like to get involved in FOLS please contact **Samantha Pitt** or **Jennifer Von Burg** or find us on Facebook, **Friends of Longney School**. We are always open to new ideas and would love to hear any suggestions you may have.
