

Initiative

We will show our initiative by *being resourceful and working without always being told what to do. Showing both perseverance and trusting in ourselves, in order to demonstrate that we can think independently and act when necessary.*

Spirituality

As part of our spiritual, moral and cultural development we will *be exploring how we can keep ourselves healthy. How we can help each other and what it means to be a kind friend. We will be looking at the Jewish faith, what it means to be Jewish and how do they live.*

Learning Drivers

Creative arts

Using our creative skills, we will *draw, label and annotate diagrams of Ethiopia and Longney. We will explore mixing primary and secondary colours to convey emotions. We will learn and improve skills needed to play the glockenspiel.*

Environment

As people concerned with our environment, we will *learn about Ethiopia. We will explore similarities and differences between Ethiopia and the U.K. We will explore the natural world around us and animal growth and change over time.*
