

Initiative

We will show our initiative by *being resourceful and working without always being told what to do. We will show perseverance and trust in ourselves, in order to demonstrate that we can think independently and act when necessary. We will share responsibility for our own learning. We will designing and creating our own pop up books using our initiative to develop our ideas.*

Spirituality

As part of our spiritual, moral and cultural development we will *learn what it means to be our best in our families and in our school community. We will strengthen our connection with our Ethiopian link school by exchanging letters and comparing playground games. In RE, we will study the importance of the Torah to Jews whilst thinking about what is important to us.*

Learning Drivers Squirrel Class Term 5 2023

Creative arts

Using our creative skills, we will *compare two types of poetry and think about our response to them. We will create a musical composition using different instruments. We will create our own animations using 2Animate.*

Environment

As people concerned with our environment, we will *think about where our food comes from and how our food choices impact the environment. We will consider how we can make better choices. We will think about population change and its impact on the environment. We will look at the different materials used at music festivals and how these can be more enironmentally friendly.*
