

Initiative

We will show our initiative by being resourceful and working without always being told what to do. Showing both perseverance and trusting in ourselves, in order to demonstrate that we can think independently and act when necessary.

Spirituality

As part of our spiritual, moral and cultural development we will be considering why festivals are important to Jewish people. We will be working on our topic 'Happy Healthy Hearts' in PE, which focuses on wellbeing. In PSHE, we will be exploring rights and responsibilities. We will be developing our strategies for working collaboratively.

Learning Drivers

Creative arts

Using our creative skills, we will draw, label and annotate investigations in science as well as design technology when exploring nets. In our Music we will be learning about Samba music, how to play Samba music and the instrumentation of Samba music. This will be supported by a Samba workshop to showcase our skills.

Environment

As people concerned with our environment, we will learn about the Romans and how they effected modern day Britain. In science, we will be learning about plants and how to look after them ensuring they have the best conditions needed to nurture and grow.
