

English

Texts: Moth (poetry), Sustainability persuasive letter, Treason - Berlie Doherty (narrative - Tudors)

SPaG focuses: conjunctions; determiners; word classes; using a colon to introduce a list; using commas to separate clauses; tenses (past, present progressive etc.); modal verbs.

Maths

Find simple and complex percentages of an amount.

Use scale factors to calculate dimensions in similar shapes and use scale drawings.

Convert between metric units (smaller > larger and larger > smaller) and units of time

Calculate the area of parallelograms and triangles

Interpret and construct line graphs and pie charts.

Understand the meaning of 'average' and calculate the mean of a set of data.

Science

Evolution

To identify inherited and environmental characteristics in living things and know that variation occurs within offspring and species. Recognise that living things have changed over time and how they have adapted to suit their environment. Recognise that fossils provide information about living things that inhabited the Earth millions of years ago.

RE

Enquiry question: *What do Christians believe Jesus did to 'save' people?*

PE

Cricket and Handball

Our Christian Values this term are:

Perseverance and Joy

YEAR 6 – SPRING TERM 4

What was life like in Tudor England?

History

Our topic this term will focus on what life was like during the Tudor era in England.

We will begin with using sources to extract information about Henry VIII. We will then make deductions about Anne Boleyn and Henry VIII's other wives, interpreting historical sources and supporting interpretations with evidence.

We will then look at Queen Elizabeth and select relevant evidence from sources to recreate her entrance into Worcester.

To finish, we will make deductions using inventories and make judgements as to whether a person was rich or poor. We will explain how inventories are useful to historians and create a realistic inventory.

Music

Music From Around the World

To celebrate, understand and appreciate Brazilian culture. Sing an extended repertoire with a sense of ensemble and performance.

Focus music: Brazil traditions - Tango, Argentina, Libertango, Piazzolla

DT

To know that mechanisms control movement.

To understand that mechanisms can be used to change one kind of motion into another.

To understand how to use sliders, pivots and folds to create paper-based mechanisms.

Outcome: Pop-up Easter card

French

Talk about my family

PSHE

Rights and Respect

Define the terms 'fact', 'opinion', 'biased' and 'unbiased', explaining the difference between them, know the legal age (and reason behind these) for having a social media account, understand why people don't tell the truth and often post only the good bits about themselves, online, explain some benefits of saving money, explain the different types of tax (income tax and VAT) which help to fund public services.

Computing

Coding - design, write and debug programs that accomplish specific goals. Use sequence, selection and repetition in programs, working with variables.
