## **Initiative**

We will show our initiative by being resourceful and working without always being told what to do. Showing perseverance and trusting in ourselves, in order to demonstrate that we can think independently and act when necessary. We will share responsibility for our own learning.

## **Spirituality**

As part of our spiritual, moral and cultural development we will be finding out what it means to be a Muslim in Britain today. In PSHE, we will learn to value difference and respect that each person is unique. As a school, we will take part in anti-bullying week.

## **Creative arts**

Using our creative skills, we will perform some poetry, working together in groups. We will use drama techniques in our PSHE. In music, we will analyse the work of a composer and enjoy learning the Young Voices songs. We will be designing our own buildings. As a school we will be creating a piece of art to celebrate our values.

## **Environment**

As people concerned with our environment, we will consider how the environment is reflected in poetry. We will research a local feature (Offa's Dyke) and will continue to show an awareness of recycling and reducing plastic in our day to day lives. We will look at how buildings can work in harmony with their environment.
