

Two-year Rolling Programme
Geography

Our Substantive Concepts

Our Planet	Human Processes	Physical Processes	Diversity	Sustainability
-------------------	------------------------	---------------------------	------------------	-----------------------

	Autumn	Spring	Summer
Skylark Year A	What is it like in Longney?	Where in the world are we?	Why are there no buses in Longney?
Skylark Year B	What us it like to live on the coast?	How are Longney and Lytton different?	How does the weather affect our lives?
Goldfinch Year A	Why do people live near volcanoes?	What makes the perfect settlement?	How are Gloucester and Aalborg the same?
Goldfinch Year B	Rivers?	Where does our water come from?	How does climate affect us?
Swift Year A	What is life like in the Alps?	Where does our food come from?	How are the Forest of Dean and the Amazon the same?
Swift Year B	How does climate effect vegetation in a biome?	How can we live more sustainably?	How is climate change effecting our planet?
