## **Initiative**

We will show our initiative by being resourceful and working without always being told what to do.

## **Spirituality**

As part of our spiritual, moral and cultural development we will be exploring how we can keep ourselves healthy. How we can help each other and what it means to be a kind friend. Who Christians say made the world.

## **Creative arts**

Using our creative skills, we will draw, label and create our own fruit salads. We will use our skills we have developed to create pieces of art that show God creating the world in 7 days. We will learn and improve skills needed to play the recorder.

## **Environment**

As people concerned with our environment, we will learn about the weather in the U.K. and what effects weather. We will learn what plants and animals need to grow and the life cycles of plants and animals.
