

English

Texts: A Monster Calls, Darwin's Dragons and Alma (film).

SPaG focuses: using commas to separate clauses; tenses (past, present progressive etc.); using inverted commas for dialogue; fronted adverbials and conjunctions.

Maths

Add fractions, including proper/improper and mixed number fractions, within and beyond the whole.

Subtract fractions, including proper/improper and mixed number fractions, within and beyond the whole.

Multiply simple pairs of proper fractions.

Divide fractions by whole numbers.

Science

Continuing Electricity unit before moving onto Living Things and Their Habitats.

Know who Linnaeus was and the classification system he developed and compare this to other classification systems. Identify key characteristics and similarities and differences between living things (including plants) and use classification keys to determine their classification.

RE

Continuing the enquiry question: *Why do Hindus want to be good?*

PE

Play competitive games and apply basic principles suitable for attacking and defending in Hockey. Develop flexibility, strength, technique, control and balance in Gymnastics.

Our Christian Values this term are:

Perseverance and Justice

YEAR 6 – SPRING TERM 3

How has the landscape shaped the routes of the River Wye and the Yangtze River?

Geography

Our topic this term will focus on the River Wye and the River Yangtze.

We will begin with looking at the journey of the River Wye, mapping out where it begins and where it ends, detailing the journey relating to the features of a river and the human and physical geography around it.

We will then shift our focus onto the River Yangtze, using similar enquiries to find out more information. We will use atlases and digital mapping to locate the river.

To finish, we will spend time comparing and contrasting between the River Wye and the River Yangtze. Are there any similarities/differences? We will compete for the 'best river to visit' in groups before a winner is announced.

Music

Composer Analysis – Britten (Storm)

Understand and use knowledge of the interrelated dimensions of music to analyse and create music.

Focus piece of music: *This Little Babe* - Britten

Art

Produce digital art using computers, drawing and painting programs, vector drawings and photo manipulation.

Outcome: Pop Art inspired portrait/collage.

French

Learn how to describe the weather.

Learn how to talk about my family.

PSHE

Keeping Safe

Demonstrate strategies to deal with both face-to-face and online bullying; know how to stay safe online, considering what information is safe to share and how to respond to disrespectful online behaviour; describe some of the health risks caused by vaping; identify risk factors in a given situation (involving smoking) and consider outcomes of risk taking in this situation, including emotional risks.

Computing

Use a spreadsheet to investigate probability, calculate sale prices by using formulas and planning budgets.
