

Initiative

We will show our initiative by *being resourceful and working without always being told what to do. We will show perseverance and trust in ourselves, in order to demonstrate that we can think independently and act when necessary. We will share responsibility for our own learning.*

Spirituality

As part of our spiritual, moral and cultural development we will *learn what it means to be our best in our families and in our school community. We will take part in the Great Big Live assembly for World Refugee Day. In RE, we will consider how the ideas of Jesus influence the lives of Christians and how we can incorporate these ideas to help us through our lives.*

Learning Drivers Squirrel Class Term 6 2023

Creative arts

Using our creative skills, we will *write and share poetry. We will describe what we love about the work of other artists and sculptors before creating our own sculptures using unusual, sustainable materials. We will perform a class assembly, showcasing our learning from last half term, and we will take active roles in our end of year production.*

Environment

As people concerned with our environment, we will *continue to be aware of recycling, collecting milk bottle tops and encouraging others to do so. We will continue to try to reduce the single use plastic in our lunchboxes.*
